Dear Parents/Carers,

We are fast approaching the end of the school year and what a strange year it has been. I hope you have managed to access our home learning resources. Just a quick reminder that print outs of all these resources can be collected from school. Thank you for your support with your children's learning – we really appreciate the amount of effort that you have all put into ensuring that your children are accessing key elements of the curriculum. Remember class teachers are at the end of the phone if you need any advice or additional work for your child.

### Summer Holidays

The last day of school, for those children who have been eligible to attend, will be Friday 17th July. School will not be open during the Summer Holidays for childcare.

### School Reports

You will receive a copy of your child's school report and information about classes for September by email on Thursday 9h July. If you have any queries about your child's report or would like to speak with their class teacher please either email school at [sherburnprimary@durhamlearning.net](mailto:sherburnprimary@durhamlearning.net) or phone us on 0191 3720281. Parents who do not have an email address will receive a paper copy of their child's report.

### Transition

It has been a long time since many of our pupils were in school. We appreciate that they many feel apprehensive about returning in September and moving into a new classroom with a different teacher.

Circumstances have meant that we have been unable to invite more year groups back. We attempted to organise transition in school for each year group, however this has proved impossible due to Health and Safety constraints. Instead we will hold virtual transition meetings in the last week of term. You will receive an invite by email to a Teams meeting next week, along with some instructions about how to access this meeting.

## Diary Dates

Friday 17th July – Last day of term for all children presently attending school

Wednesday 2nd September – children return to school

We are looking forward to welcoming all of our pupils back in September. At the time of writing we have just received details of the government's plans for the re-opening schools to all year groups. We are busy working out plans for bringing all of our pupils back to school in September, ensuring that their health and safety is paramount.

We will update you about our plans for September before the end of term.

Yours sincerely

*S Cornforth*
