ParentPay

Please check your child's bag on Friday. Every child will have been given a letter with the username and password to register on ParentPay. If you have any queries about ParentPay, please call at the school office and we will do our best to help. We have included below the answers to a few questions that have already been asked.

- Pay Point cards should only be requested if you pay for your child's school dinners as they can only be used for this purpose.
- If you wish to use Pay Point for other items (trips etc.) you need to request a letter which will contain a bar code which is specific to your child for that event – this can then be taken to a Pay Point outlet to make payment.
- If you need another payer (partner/ ex-partner) setup please let us know and we will arrange for a second payer to be setup.

- When you log in to ParentPay you will see a section which states 'menu choice' but there will be no data there. This is not a function our school is using as meals are calculated from pupil attendance not menu choice.
- If a free trip is taking place you will still need to log on to ParentPay to tick consent and give emergency contact details.
- If paying for Tea Club, please still inform school what sessions you will require.

Yours sincerely
